## WHAT IS L3?

---

L3 is a membership organization of successful career and community leaders mapping out the next phase of their lives. We call our portfolio of programs “Prime Time” because L3 members have reached the prime of life with the opportunity to redefine their purpose and enrich their lives and their relationships with friends, family and community. It’s about connecting with people.

### Our Prime Time Programming supports this perspective by...

- Creating the environment that encourages and supports meaningful and enduring relationships;
- Planning unique events designed for fun, learning and personal growth;
- Collaborating and supporting each other as we give back to our communities;
- Encouraging the discovery of new worlds – intellectually, culturally and spiritually.

### Our Values

Family & Relationships | Health & Wellness | Giving & Generosity

### Our Mission

- To find, engage and enroll members of like mind, purpose and accomplishment in L3.
- To encourage the examination of our goals for what we could or should be doing with the rest of our lives.
- To provide inspiration and support for individual and group attainment of those goals.
- To create synergistic opportunity for those who are committed to related goals.
- To support member generosity towards family and community.
- To provide a fun and creative learning environment.
- To support the development of insight on issues for which our members are passionate.

*A unique organization of men and women with proven leadership stature, who are engaged in diverse activities that add purpose and lasting reward to the rest of their lives.*

**ENRICHMENT GROUPS** are private meetings for open discussion of various topics. Attendance is required at two meetings, which are held in a major city in the continental United States each year.

### Generosity and Giving is a core value of L3

**THE LEADERSHIP LEGACY LIFE FOUNDATION** is dedicated to capitalizing on the power, intelligence, energy, time and commitment of L3's network. The Foundation enables members to maximize their philanthropic impact on causes and programs they support.

**L3's ANNUAL RETREAT** is all about you...four days to build authentic connections with other members and discover unique resources to help you make the years ahead your best yet. We explore topics you care about and focus on L3's core values of health and wellness, family and relationship, and giving and generosity. We host programming at nonprofit sites, furthering our commitment to giving back to our communities, and always make donations to groups instead of using our resources on centerpieces or welcome gifts.

**PURPOSEFUL TRAVEL** offers experiences that help us lift our consciousness and rise above the routine of life. These experiences are awe-inspiring, some are even life changing. Here are examples of what we've done in the past:

New Orleans	Washington, D.C	Santa Fe	Cuba
<p><i>We met with city, county and state officials to study the aftermath of hurricane Katrina. We then reached out to the victims of the storm, building fences and planting a community garden.</i></p>	<p><i>The Hope in Human Rights We met with world leaders as we studied the Holocaust and the surprising 300-plus conflicts that have happened since. It was a powerful learning experience that led to in-depth discussions on the next generation of leadership and the hope for a better world.</i></p>	<p><i>We studied Native American traditions and how the Institute of American Indian Art is educating young Native Americans and keeping sacred traditions alive.</i></p>	<p><i>In this people-to-people educational exchange we met with the former Cuban ambassador to the United Nations, the U.S. Chief of Missions, the CBS correspondent, a University of Havana economist and local Cuban artists. L3's World Affairs Discovery group is a result of this visit.</i></p>

**ENRICHMENT WEEKENDS** are weekend-long events where intelligent conversation is THE agenda. We traveled to places such as Ocean Reef, Florida, St. Thomas, Virgin Islands and Telluride, Colorado for private discussions on topics like the balance in our life.
