AN L3 DISCOVERY TRAVEL EXPERIENCE

SCOTLAND

August 4 – 12, 2022

L3's trip to Scotland will be a once-in-a-lifetime experience. We've planned activities that are not available to the public as well as visits to cities and countrysides, conversations with historians and fascinating characters, and hands-on programs.

We'll experience the true essence of Scottish hospitality, culture and personality.

L3's Private-charter flights
Logan Air – Scotland's Airline

We've made arrangements to make this trip easy on our travelers with private-chartered flights from Glasgow to Islay and from Islay to Inverness.

Our luggage will be transferred separately via coach to eliminate the need for baggage drop and claim at the airports.

Our Scotland Guide Maggie Macrae

- Maggie is Blue Badge guide (highest level for guides) and is qualified to guide all over Scotland. She knows and loves the islands, west coast and north-east of Scotland (having stayed with groups at Candacraig on previous occasions)
- Originally a lawyer who practiced in both England and Scotland, she gained qualifications in horticulture and garden design before becoming a Blue Badge Guide.
- Maggie says:
 - “Born on the west coast and now living on the east in the New Town of Edinburgh, I am very keen to share my love of Scotland with visitors. In addition to a good knowledge of the events which shaped this country, I have particular interest in gardens, notable houses, country pursuits, golf and all other sports, general history of Scotland, pilgrimage routes, and food and drink. I escort groups on walking/driven tours anywhere in Scotland and am very happy to ensure L3’s experience is truly bespoke and lasting memories are created”
