

Healthnetwork Foundation Affiliated Programs

Executive Health Programs

Executive Health Programs are designed for busy executives and active individuals who value their time and their good health. In as little as one day, you will meet with a team of physicians and specialists for a comprehensive medical evaluation. By scheduling regular executive physicals, physicians can monitor changes in test results to ensure early detection and more successful treatments. The results may change your life – or possibly save it.

Addiction and Mental Health Services

Addiction and Mental Health referrals are possible through Lindner Center of HOPE, mental health consultants and Healthnetwork partner hospitals. The Lindner Center has the largest medical staff of any free-standing mental health center in the country. As a result, patients are afforded the utmost expertise in diagnosis and treatment.

Pediatric Centers of Excellence

When your child is ill, you need the support of family and friends ... and a top-rated pediatric medical center. Healthnetwork partners with the most innovative, state-of-the-art pediatric hospitals in the country. Your child will receive treatment from pediatric specialists who are among the best in the world and your child will be cared for in facilities designed specifically for the unique needs of young patients and their families.
